

Nursing Scholarship Program

Extendicare is dedicated to providing quality health care for our residents and patients. We are committed to meeting the healthcare needs of our community. As part of our commitment, two (2) separate scholarships are offered for selected employees that are majoring in the Practical Nursing or the Associate Degree Nursing program.

- The Helen Dennis Memorial Scholarship
- The Jim Stewart Memorial Scholarship

These scholarships will pay 75% for tuition, fees and/or books to a Nursing program at Wallace Community College.

Scholarships will be awarded based on grade point average, unmet financial need, and recommendation from the WCC scholarship committee. The Wallace Community College Scholarship Committee will consider applicants who meet the requirements to include but not limited to those listed below:

Qualifications:

- Recipient must have met the requirements for unconditional admission to WCC.
- Must maintain current employment status working a minimum average of 24 hours per week, in good standing with the facility.
- Maintain a GPA of 2.5
